Guitar Lesson Fee Structure

One-off payment:

- 30min session (\$45-)
- 60min session (\$90-)

Full Term (10 weeks) payment:

- 10x 30min sessions (\$400- / 2x \$200- instalments)
- 10x 60min sessions (\$800- / 2x \$400- instalments)

Full Term payment to be paid no later than Friday Week 3 of school term.

Half Term payments to be paid no later than Friday Week 3 and Week 7 of school term.

If students commit to a Full Term and are unable to make a session it still needs to be paid for. Please organise to schedule a make-up session.

NOTE: Late payments will incur a 10% fee based on the Full Term payment amount selected if not made by the aforementioned weeks of school term. Lessons will temporarily cease until the updated invoice (including late fee) is paid.

CANCELLATION POLICY: If you are absent, you will still be charged unless you give **24 hours' notice** prior to the arranged session time. If sufficient notice is provided, a make-up session will be organised. Make-up sessions will be given on the grounds of serious illness/injury, extra-ordinary family circumstances and school exams (advance notice must be provided). Make-up sessions will be denied for: poor time management, minor illness, late notice given for school exams and general social outings. If I am unable to teach a lesson for any reason, I will make up the lesson (if not I will issue a refund).
